PRASAD PATIL

Solution Architect | Cloud, AI and Microservices Expert | Research Scholar | Patent Holder

prasadpatil252@gmail.com | prasad-p-patil | prasadpatil25 | 9021421601 | Mihan, Nagpur, Maharashtra

EXPERIENCE

Solution Architect, MBU Apps Infra Engg. - AI.cloud Unit

Tata Consultancy Services (TCS)

Aug 2023 – Present | Nagpur, India

- **Infrastructure Migration**: Lead research and implementation for Azure Cloud Migration lifecycle tools (Cloud Console, Migration Factory Hub, Well-Architected Framework)
- **Application Modernization**: Migrate legacy .NET and mainframe systems to Angular/React front-ends with .NET/Java microservices
- **Application Migration**: Architect GenAI/Agentic AI solutions for COBOL-to-Java migration with contextual understanding
- **Design Thinking**: Design modular microservices systems using Domain-Driven Design (DDD) principles

Technical Architect, ISN - Corporate Unit

Tata Consultancy Services (TCS)

Apr 2019 – Jul 2023 | Pune, India

- Core contributor to ISN (Intelligent Services Networks) *[quantify: team size]*; built Java/Spring Boot microservices deployed on Azure
- Refactored legacy applications to microservices using DDD principles

Full Stack Developer & Researcher, Ignio Project

Tata Research Development and Design Centre (TRDDC)

Apr 2014 – Mar 2019 | Pune, India

- Developed compliance automation for networks and operating systems
- Built policy engines for Firewalls, Switches, Routers, Windows and Linux using Bash, PowerShell and Perl

Developer & Researcher, eTransform Project, CTO Unit

Tata Research Development and Design Centre (TRDDC)

Mar 2011 – Mar 2014 | Pune, India

- Built Java Swing modules for cloud migration estimation; analyzed as-is/to-be states for cloud transformation
- Developed performance-sensitive applications using multithreading and design patterns

CERTIFICATIONS

- NPTEL: Machine Learning for Engineering & Science Applications (IIT Madras)
- Microsoft Azure: Solutions Architect Expert (AZ-305), Administrator Associate (AZ-104)

EDUCATION

PhD Scholar in Machine Learning, Quantum Computing and Cryptography

Indian Institute of Information Technology (IIIT)

Present | Nagpur, India

- Recipient of the ACM India Anveshan Setu Fellowship - *IIT Hyderabad*

B.E. in Computer Science & Engineering

Shri Ramdeobaba Kamla Nehru Engg. College, RTMNU

2010 | Nagpur, India

- 2nd prize in internal coding competition

Diploma in Computer Technology

Nagpur Polytechnic, RTMNU

2007 | Nagpur, India

- Gold medalist for 3 consecutive years

SKILLS

Microservices | Azure Infrastructure | Advanced Java | Spring Boot | LLM Fine Tuning | Technical Research | DDD | Machine Learning | Legacy Modernization | Cloud Migration | Critical Thinking | Architect

OPEN-SOURCE PROJECTS

MindSpark — Mind-Mapping Platform

github.com/prasadpatil25/MindSpark

- Zero-dependency vanilla-JS, MIT-licensed app; real-time collaboration on Cloudflare Workers (GitHub OAuth, role-based access)
- Custom GPT builds maps from natural language via a `POST /api/import` endpoint

AWARDS AND HONORS

- **IEEE Journal Publication – Hybrid Quantum DOA Framework (First Paper on Quantum from IIITN)** 2026
- **IEEE Journal Publication – *[Fully Coherent Dynamic Oracle Adaptation]*, (Under Review)** 2026
- **Indian & US Patent on Compliance as a Service** 2024, 2017
- **Best Performer of the Year** 2016, 2018, 2021
- **2nd Rank in Hackathon held during Ignio** 2019
